

Noel Chalman, East Site Coordinator

Noel Chalman has a BA in English and a Masters in Secondary Education. With 15 years of experience in the world of education, Noel has taught for a variety of ages and in a variety of settings, but it wasn't until he started teaching adults with The Learning Source that he felt he had found his true calling. Presently, Noel teaches at and is the coordinator at The Learning Source East site in Montbello. Noel is also a writer with a couple of published novels under his belt. Noel can be reached by email at noel@thelearningsource.org
