

## STUDENT HEALTH GUIDELINES

Thank you for choosing The Learning Source to pursue your educational goals – we are here to serve you!

Protecting our students and their health is of top priority to The Learning Source, and we want to make sure you have an opportunity to review our requirements for staying safe and healthy.

At each location the following guidelines are to be observed each time a student attends class:

- Do NOT come to class if you are sick, or if you have a fever.
- Do NOT come to class if you have shortness of breath, cough, dizziness, diarrhea, fatigue, etc.
- Please wear a face mask/covering while attending classes.
- Hand sanitizer and extra masks are provided in the main waiting area and in the classrooms, please use them as needed.
- If you need to use the bathroom facilities, wash your hands each time before you return to class.
- Please help wipe down computers/desk space after use.
- If you have any of the symptoms mentioned and the instructor deems your condition to be unfit to attend class, the instructor has the authority to ask you to leave and return when you are healthy.

**Note: If you have had any known exposure to COVID-19, please let your instructor know immediately so arrangements can be made to provide you with offsite work.**

Following these simple guidelines will help keep all students and instructors safe. Thank you for helping to make The Learning Source a safe learning environment.

By signing this document, you acknowledge that you have fully read, and understand all information and agree to comply with The Learning Source Student Health Guidelines.
